DETAILED ACTION

1. Amendment and response filed by applicants dated Jan. 19, 2005 have been entered and considered carefully.

A Declaration by Aslanian filed under 37 CFR 1.132 dated Jan. 14, 2005 have been considered carefully.

2. *Reason for Allowance*

The following is an examiner's statement of reasons for allowance:

Applicants have submitted a Declaration under 37 CFR 1.132 wherein vast majority of the bis-piperidinyl compounds are H3 receptor binding using the assay disclosed on pages 47-48. Further, using the prior art functional assay, it was demonstrated that such binding is H3 receptor antagonism. Histamine H3 antagonist have been recognized in the art to have decongestion effect. Therefore, by amending the claims to obviate all the 112 issues, claims 1-17 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Celia Chang whose telephone number is 571-272-0679. The examiner can normally be reached on Monday through Thursday from 8:30 am to 5:00 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Cecilia Tsang, can be reached on 571-272-0562. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR
